Penalties for violations of the Code of Ethics may be imposed during a race by the Race Committee or at any time by the Disciplinary Committee. Penalties are always subject to approval by the Board of Directors; but pending such approval, any suspension of a paddler or disqualification of a crew shall stand. Penalties shall be a fine against the offending club, a suspension of the offending paddler, a disqualification of a crew, or any combination. Fines may be paid under protest. Fines must be paid by the canoe club and until paid (or a promissory note in lieu of amount accepted by the Disciplinary Committee) the club may not enter any further event of a regatta on a race day nor any future regatta or race.

RESOLUTION

WHEREAS, for some years prior to 2003, without the approval or consent of Moku O Hawai`i, a satellite unit of a member canoe club was established which practiced, recruited paddling members and otherwise operated at a geographical location distinct and distant from the halau of its parent club, resulting in certain negative consequences which caused Moku O Hawai`i Outrigger Canoe Racing Association and its member canoe clubs to adopt a policy prohibiting the creation and operation of satellite units of existing clubs, and

WHEREAS, it appears that similar efforts may now be underway to create one or more new such satellite club units, and,

WHEREAS, Moku O Hawai`i has found, and now finds, that such a satellite unit or units weaken existing clubs in the satellite area, create unnecessarily crowded conditions for canoes in the limited areas available for club use, tend to fractionalize club members and to create cliques within existing clubs, provide the basis for a regional club to the detriment of long-standing canoe culture and are contrary to the historic and cultural tradition of community-based and supported Hawai`i canoe clubs,

NOW, THEREFORE, BE IT RESOLVED that Moku O Hawai`i reaffirms its existing policy prohibiting the creation and operation of satellite club units without the consent of the Moku O Hawai`i Board of directors, and, further,

BE IT FURTHER RESOLVED, that the geographical location of each member club of Moku O Hawai`i Outrigger Canoe Racing Association shall be as each club has set out as its address in its application for membership in this Association. Each club shall maintain its canoe practice site within such geographical location and shall and conduct and otherwise operate all of its ordinary and regular canoe club practices within such geographical area. Should at any time a club require and wish to use an alternate, or auxiliary, practice site, a typewritten request for that practice site shall be presented to Moku O Hawai`i, setting out the reasons therefore. The Treasurer, Executive Secretary and Race Director of Moku O Hawai`i shall review such request and shall promptly present the results of such review to the Moku O Hawai`i Board of Directors for its decision. Appropriate reasons for such a request may be based upon, but not necessarily limited to paddler employment, school and damage to structure or other property. No member club of Moku O Hawai`i shall operate, authorize, consent to, or otherwise maintain any practice site outside of its geographical area in the absence of express written consent of the Moku O Hawai`i Board of Directors, and,

FINALLY, BE IT FURTHER RESOLVED, that any violation of or non-compliance with this policy shall result in a fine, the amount of which to be determined by the Board of Directors of Moku O Hawai`i. Any repeat non-compliance may result in suspension from membership in Moku O Hawai`i Outrigger Canoe Racing Association.

Adopted 2003
