Aloha Paddlers of Moku O Keawe,

Due to the COVID-19 pandemic and its continuous affect it is having on our State, Moku 'O Hawai'i Outrigger Canoe Racing Association, came together and made the decision to cancel the 2020 Regatta Season. Currently, the International Va'a Federation (IVF) along with Hawaiian Canoe Racing Association (HCRA) have also decided to cancel the 2020 IVF World Elite and Club Sprint Championships scheduled for Hilo, Hawaii in August of 2020. The following link <https://dlnr.hawaii.gov/blog/2020/03/17/nr20-035/> can provide current information about parks and facility closures, current and upcoming permits for events, etc. so we can do our best to stay informed.

Our first and foremost concern is to the safety and health of our paddlers. We understand and know that Hawaiian Outrigger Canoe paddling is such a big part of your lives, however, it is much more important we keep ourselves updated with this virus as it presents a very real problem. The following links <https://coronavirus-response-county-of-hawaii-hawaiicountygis.hub.arcgis.com/>; <https://hawaiicovid19.com/> will help answer any questions and/or give you current updates for Hawaii.

Thank you for your patience and understanding in this difficult and uncertain time. We as paddlers are one big Ohana Wa'a and will get through this together! Continue to share your Aloha while practicing social distancing, by speaking kindness, throw a shaka, air kisses and hugs. Take care of you and your ohana!

Mahalo nui loa,
Moku 'O Hawai'i Outrigger Canoe Racing Association
